Dear Valued Customer,

In September of 2007, PAETEC Holding Corp. ("PAETEC") entered into an Agreement and Plan of Merger with McLeodUSA Incorporated ("McLeodUSA"). We believe this transaction will benefit our customers, employees, and stakeholders. We are pleased to announce that the transaction closed on February 8, 2008.

Both PAETEC and McLeodUSA sought, and were granted, approval by the Arizona Corporation Commission for this transaction. In order to obtain the funds necessary to complete this transaction, PAETEC and McLeodUSA both secured loans by pledging the Arizona utility plant assets of McLeodUSA Telecommunications, Inc. and other PAETEC Communications, Inc. affiliates as collateral. These loans were in part used to prepay debt and release prior pledges of utility plant assets previously in place with McLeodUSA Telecommunications Services, Inc.

PAETEC and McLeodUSA customers will see no change to their service as a result of this transaction and there is no action required by you at this time.

PAETEC has been serving business customers since 1998 and has a reputation in the industry for providing high-quality customer service as well as a proven track record of success in product delivery and operations. Since the merger agreement was announced, the two companies have been working closely together and look forward to delivering enhancements in your services as we complete the integration over the coming months.

We look forward to continuing our service relationship and we thank you for the opportunity to serve you. If you have any questions or concerns about your service, or any other matters, please call McLeodUSA Customer Care at 1.800.500.3453.

Sincerely,
